

# Unit award

## FORKS OF THE DELAWARE

Dear Fellow Scouters

The Annual District Recognition Dinner will be held April 10th. More information will be included in an upcoming flyer. The highlight of the Dinner will be the presentation of the District Award of Merit and the Scouter's Achievement Award.

There are however many Scouter's who, although not eligible for the awards mentioned above, are certainly deserving of recognition for the contributions they have made during the past year in the lives of our youth. For this reason, the Forks of the Delaware present another award. ***The Unit Award of the Forks of the Delaware District.*** This award will also be presented at the Dinner.

Each Pack and Troop is encouraged to select their unit's "Scouter of the Year". Since only one leader may be selected from each unit, it is necessary for the leadership to confer with each other in making the decision as to whom your unit will honor.

Please see to it that the recipient is present, if possible, to receive this award. The unit may want to consider paying for the recipient and spouses' reservations. If the recipient will **not** be present, someone from the Unit **must** be present to pick up the Award.

Please indicate on the tear off if he or she will be attending.

**This form must be submitted by January 31, 2020.**
