DOLLARS FOR DOERS

Scout parents and volunteers are giving of their time to the Boy Scouts; without them there would be no Scouting. Many businesses give back to organizations their employees are involved with through the Dollars for Doers program. In this program, a company will donate money for volunteer hours worked by its employees in support of the Boy Scouts. Ask your company's HR representative about Dollars for Doers or Volunteer Incentive Program. Here is a list of some participating companies:

Bank of America: 50 hours for \$250 and 100 for \$500	Bloomberg: 25 hours for \$2,500, 50 hours for \$5,000
CVS Caremark: 15-25 hours = \$500, 25-100 hours = \$1,000, 100+ hours = \$1,500	Ericsson: 8 hours for \$200
ExxonMobil: \$500 for each 20 hours up to \$2000	Hershey: 50 hours for \$250
PPL: 50 hours for \$400	Microsoft: \$25 per hour
TE Connectivity (Tyco Electronics): \$100 per every 10 hours (max \$1,000)	PSEG: \$10 per hour up to \$1000
Walmart/Sam's Club: 25 hours for \$250, 50 hours for \$500	Verizon: 50 hours for \$750

There are many companies looking to reward employee volunteerism for helping to improve our local communities. Help Scouting in Minsi Trails Council by asking if your company has a Dollars for Doers or similar program.
