Why is your financial support so critical? Each year, Minsi Trails Council provides character education and leadership development to local young people in a fun, interactive environment. Scouting leads to positive outcomes for youth such as success in school, higher graduation rates, increased participation in sports and extracurricular activities, and higher self-confidence. With Covid-19, we made a quick pivot to virtual, online programming to keep our youth and families engaged. Contributions from individuals and organizations make up over half of the annual operating dollars necessary to run a quality program for our local youth. By supporting the Scouting program, you help to keep rates low for local families, maintain camp properties for outdoor experiences, and provide training, customer support, marketing, and a local professional staff to assist volunteer leaders.

Remember...gifts made local, stay local. Thank you for your support! Please Indicate Choice:
