The Minsi Trails Council utilizes Doubleknot, an outside company, for all of our event, activity, weekend camping and summer camp reservations/bookings. Our website Minsitrails.com will all take you to Doubleknot when you need to review a reservation or black out date.

This guide will walk you through how to use Doubleknot for each scenario.

YOU CAN “SIGN IN” TO YOUR ACCOUNT AT ANYTIME.

If you should need assistance with the online system or sign in, please contact our Council Camping Department at (610) 465-8568

Please note, the way we create reservations will determine if a registration can be amended —typically those that can be changed are done internally in the office by the camping department. Additionally, support staff at the council resource center can amend all registrations and will do our best to notify you if a reservation cancels.
